**49. Rai and Savannah of THE LOPES PHOTOGRAPHY** are Lisbon based wedding photographers who create emotive and intimate imagery for modern lovers. The husband and wife duo document your day in both film and digital format, using an editorial approach to capture your love with authenticity. As globetrotters themselves, they photograph destination weddings and elopements worldwide. Visit [www.thelopesphotography.com](http://www.thelopesphotography.com) and Instagram @thelopesphotography

**50. Inspired by the beauty of human relationships and her belief in the power of images, ZELDA GREEN** captures life's greatest moments. Weddings represent the perfect microcosm of the elements she loves to photograph: human connection coupled with fashion, documentary, landscape and still life. Taking inspiration from the great iconic film photographers from years gone by, she loves to use both film and digital photography in her work. Visit [www.zeldagreen.com](http://www.zeldagreen.com) and Instagram @zeldagreen

**51. MARIA D.** effortlessly portrays couples in an authentic yet modern and arty way. Her approach can be described as editorial documentary and her focus is intentionally set on the in-between moments. Maria D. photographs weddings worldwide. Visit [www.maridaweddings.com](http://www.maridaweddings.com) and Instagram @maridaweddings

**52. Are you looking for a beautiful way to preserve your wedding bouquet?** Using photographs taken on the day as her reference, **THE CUSTOM BOTANIST** will paint and draw your wedding flowers creating a one-off piece of artwork, the perfect keepsake for discerning couples. Visit [www.thecustombotanist.com](http://www.thecustombotanist.com) to find out more or follow on Instagram @thecustombotanist

**53. Feminist photographer, ADEANA MORAIS,** creates poetic photography inspired by impressionist painting, cinema and travel. She specialises in intimate weddings as well as elopements across Europe, covering Portugal, Italy and France. To view more examples of her organic style visit [www.adeanamoraishphotography.com](http://www.adeanamoraishphotography.com) and @adeanamoraishphotography on Instagram.

**54. THE LOVE ARCHIVES** is an Australian wedding photography company with 7 years of photography experience. Their elegant style turns candid moments into naturally expressive, editorial-worthy imagery. Behind the lens they are known for their people skills, becoming exactly what their couples need, whether it's a hype team, fly on the wall or any level of energy in between. Reading people well is their superpower. Visit [www.theLoveArchives.com.au](http://www.theLoveArchives.com.au) and Instagram @theLoveArchives

**55. LAUREN KNUCKEY PHOTOGRAPHY** creates warm and natural wedding and elopement imagery for outdoor enthusiasts around the world.
